ABSTRACT

This document gives information about maximum rate of pay for substitutes, adult education, extended day programs, and summer school programs, based on the Annual Survey of Certificated Salaries, Salary Schedules, and Salaries Paid Teachers for 1974-1975, conducted by the California Agency for Research in Education. This survey covered districts representing approximately 97.0 percent of the average daily attendance of the state for 1973-74. (Author/DW)

SHARING

Due to cost factors, this document is mailed to a limited number of persons. Local chapter presidents are urged to advise teachers where the report may be examined. Superintendents are requested to notify school board members about its availability and place it as an item on the board agenda. For details of obtaining additional copies, please see the inside back cover.

Since C.A.R.E. is a joint effort of ACSA, CSBA, and CTA to reduce duplication of effort at the State level and to reduce local costs, we urge your cooperation in disseminating information about this document.

INTRODUCTION

The data presented in this *C.A.R.E. Document* were gathered from the Annual Survey of Certificated Salaries, Salary Schedules, and Salaries Paid Teachers for 1974-1975, conducted by the California Agency for Research in Education. This survey covered districts representing approximately 97.0 percent of the average daily attendance of the State for 1973-1974.

This *Document* gives information about maximum rate of pay for substitutes, adult education, extended day programs and summer school programs. It is hoped that the tabular presentation of information will enable district administrators and local teacher association personnel to compare selected districts and to discern State-wide patterns. Districts are reported according to type and a.d.a. level.
